

**SUMMER ROCK 'N ROLL**  
**ON THE LONG BEACH BOARDWALK**

Israeli rock star, **Yosi Piamenta**, brings his signature electric guitar wail to the City of Long Beach for a special and monumental performance, July 1, 2007. Singing in his native Hebrew, Piamenta leads "**The Heavenly Jams Band**" through complicated musical progressions that bring modern expression to ancient ideas. Piamenta is famed the world over, with numerous articles in *The Rolling Stone Magazine* and *The New York Times*, raving about Piamenta's unique fusion of Eastern and Western musical techniques. His Middle Eastern rock'n'roll jams have been described as "an awe-inspiring approach to rock guitar, it's Woodstock meets the Western Wall". The City of Long Beach is proud to bring you **Piamenta and The Heavenly Jams Band** as part of our annual Summer fair. We are sure that you will enjoy the original compositions and hope to see you on the beach!

Show time **7PM** at **Long Beach Blvd** and the Boardwalk.
